

STEP-BY-STEP GUIDE TO Decluttering Your Living Space

01

Empty out each cabinet and storage fixture.

- Baskets
- Ottoman Storage
- Shelves
- Toy Storage
- Drawers

02

Sort and organize items by type.

- Electronics
- Books
- Pillows
- Toys
- Décor

03

Review the necessary inventory.

- Pillows and blankets for relaxation
- Remotes and electronics for entertainment
- Coasters and serving trays for hosting
- Décor and memorabilia to accent your space

04

Remove items that can live in a different area of the house.

- Take toys to playroom
- Put pens and pencils in office
- Place out of season décor in storage
- Hang backpacks in the entryway
