

Closet Remodel Questionnaire

To neutralize the stress you are feeling before starting your closet remodel, ground yourself in the facts of your closet renovation project. **Think about the below questions and write down any thoughts or ideas you have** and share this insight with your closet designer early in your closet remodel process.

2

WHAT ORGANIZATION STRUCTURE DO YOU CURRENTLY HAVE?

Ex: You may have one of the simplest, most common closet organization structures in place – a single rod and top shelf.

4

ARE YOU SHARING THE CLOSET?

Ex: Make note of how each person likes to organize their things in the space.

1

WHAT IS THE APPROXIMATE SIZE OF YOUR CLOSET?

Ex: Is it a reach-in, walk-in, or room size closet? Is it simply too small? Is there room in the bedroom to move a wall to make the closet bigger?

3

HOW IS THE LIGHTING IN YOUR CLOSET?

Ex: Do you have natural light coming in, light from fixtures, or both? Are there times of the day when your closet is too dark?

5

WHAT IS THE BUDGET FOR YOUR REDESIGN?

Ex: Having a number, or a range, in mind will help you feel in control as design choices are presented.
