INSPIRED CLOSETS ALASKA

Inspired to Give Back

SUPPORTING THE ALASKA COMMUNITY WE LOVE.

A Stronger Alaska, *Together*

At Inspired Closets Alaska, we believe in supporting the people, animals, and wild places that make our state so special. Throughout the year, we proudly partner with local nonprofits that are making a meaningful impact in our community.

American Foundation for Suicide Prevention

AFSP Alaska Chapter

The AFSP Alaska Chapter is dedicated to saving lives and bringing hope to those affected by suicide. Through educational programs, community events, advocacy, and support for survivors of suicide loss, they work to raise awareness and encourage conversations about mental health. Their efforts help connect Alaskans with resources and build a more supportive community.

STRAW FOR DOGS

Straw For Dogs

Straw For Dogs is an Alaska nonprofit dedicated to improving the lives of dogs and other pets in need. They provide shelter, straw bedding, food, and essential supplies to help animals stay safe, warm, and healthy. Through community outreach and assistance to pet owners, they work to improve animal welfare across Alaska and help pets receive the care they deserve.

Alaska WildBird Rehabilitation Center
KEEPING IT WILD...

Alaska WildBird Rehabilitation Center (AWBRC)

AWBRC is dedicated to rescuing, rehabilitating, and caring for injured, sick, and orphaned wild birds throughout Alaska. Their goal is to provide the treatment and care these birds need to recover and return to their natural habitats whenever possible. They also help educate the community about Alaska's wild birds, conservation, and the importance of protecting local wildlife.

It's All Possible *Because of You*

We're proud to support these incredible Alaska nonprofits and the important work they do for our community. None of this would be possible without our customers, whose continued support allows us to give back to the place we call home.
